

Discovering spiritual gifts, helps identify your motivation from a supernatural perspective.

7 Spiritual Gifts Profile

Instructions: Every Christian is gifted with special motivation to bless them and benefit ministry. These motivational gifts are the specific ways we think, feel and act from a spiritual perspective. You can identify your spiritual gifts through this profile. Carefully follow these instructions —

Ask yourself how you feel about each one of the following statements. How true is each statement about you? Simply respond with the numerical rating as follows:

- **5** — Almost Always true;
- **4** — Often true;
- **3** — Sometimes true;
- **2** — Seldom true;
- **1** — Almost Never true.

Avoid, as much as possible, a 3 (Sometimes) choice. Don't hesitate choosing **5** (Almost Always) or **1** (Almost Never). Your desire to be humble or not exaggerate may cause you to choose more moderate responses. This may affect your results. Be honest!

Example: "I tend to be irritated when people sin."

(Is this statement "**Almost Always**", "**Often**", "**Sometimes**", "**Seldom**" or "**Almost Never**" true about you? Try to choose the "5, 4, 2 or 1." Avoid choosing the 3 "Sometimes.")

Place your numerical rating choice in the appropriate numbered question box provided on the SG Graph page. Notice the Scoring and Plotting Instructions and Example also on the SG Graph page.
