

NEW Uniquely You® Train The Trainer & Certify Leaders

After almost 25 years of conducting training, Dr. Mels Carbonell and Uniquely You will now allow other trainers to conduct "official" UY and Discover Your Giftedness Seminars for businesses, associations, and churches. UY will now help you promote, register attendees, plus provide the necessary advertising and materials for securing and conducting the training.

You can now apply to become "licensed" trainers. This opportunity is designed for you to receive the most extensive and comprehensive training from Dr. Mels Carbonell personally through a 3 day on-site seminar or entire year conference call course. Experience the discipline of improving your effectiveness, and help others to do the same emotionally, physically, psychologically, and spiritually. Become an "official" Uniquely You Trainer licensed to certify others to conduct training. UY will provide you with many of the necessary details to organize and operate your own consulting and training business / ministry. You will also re-

ceive commissions from all orders. You will be required to sign a Covenant with Uniquely You, observe training with Dr. Carbonell, plus complete the on-site or One Year internship before becoming officially licensed.

Once enrolled you will receive 60% discounts on almost all Uniquely You Resources, invitations to conduct training with Dr. Carbonell, special co-author book offer, publish customized profile offer, and certify others to become trainers under you, plus personal mentoring / coaching phone calls. Once you complete the course you will be recognized as a Uniquely You Executive Licensed Trainer (highest level), with all rights and privileges. This could be your best investment and the most phenomenal opportunity ever.

This On-Site or One Year Course includes all 4 Levels of Certification (Basic, Specialist, Advanced, and Executive), plus over \$5,000 worth of materials. Invest in all four certification trainings, plus UY University / Licensing and begin your own consulting and training business / ministry.
